

SDIMI 2017

8th International Conference on Sustainable Development in the Minerals Industry

June 25 - 29, 2017, Beijing, China

Theme

Adapting Mineral Exploitation to Sustainability for Safety, Health, Environment and Community

Topics

- Mineral exploitation and sustainability
- Safety, health and environmental stewardship
- Mine communities and good governance
- Best practices and case studies
- Raw materials supply and circular economy
- Fossil fuels and new energy for sustainability
- Unconventional resources for sustainability
- Hazard prevention and emergency preparedness
- Mine risk management and safety integrity
- Mine inspection, certification and auditing
- Social responsibility and accountability
- Water and energy management
- Resources, energy and emerging economies
- Technology, education and capacity building

Call for papers, key dates and contact

Abstract submission from November 16, 2016 and cut off by January 16, 2017

Full paper submission from January 20, 2017 and cut off by March 20, 2017
